

**THETOUCH**  
BRAND ENGAGEMENT AGENCY

**EVENT  
PROFILE**

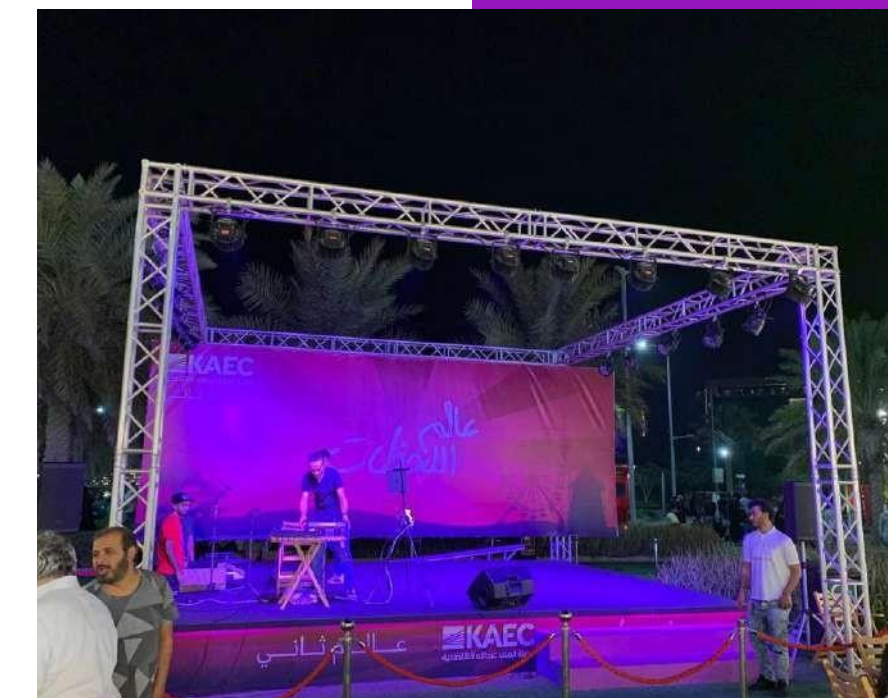

TheTouch is a very dynamic event management company that can satisfy all event management and coordination needs.

Services include everything from designing extravagant events to marketing and rebranding companies and goods.

Our clients have been extremely complimentary of our event concepts and capacity to produce spectacular moments.

To ensure that the most qualified candidates are chosen to advance your brand, we recruit and manage all staff for company brand activations.

In order to publicize your business, we provide a variety of branding options and products.

# TheTouch

dedicated to designing and executing our client's distinctive vision by producing a unique event

Each event is expertly planned according to the specific needs of the client.

We will make sure that our clients and their guests have an unforgettable experience.

## TheTouch

is quickly emerging as a market leader in product/brand promotions. With a team of carefully chosen, enthusiastic, and dedicated employees, we can market your product in accordance with your unique requirements or vision, guaranteeing maximum exposure for your good or service and maximum profit.

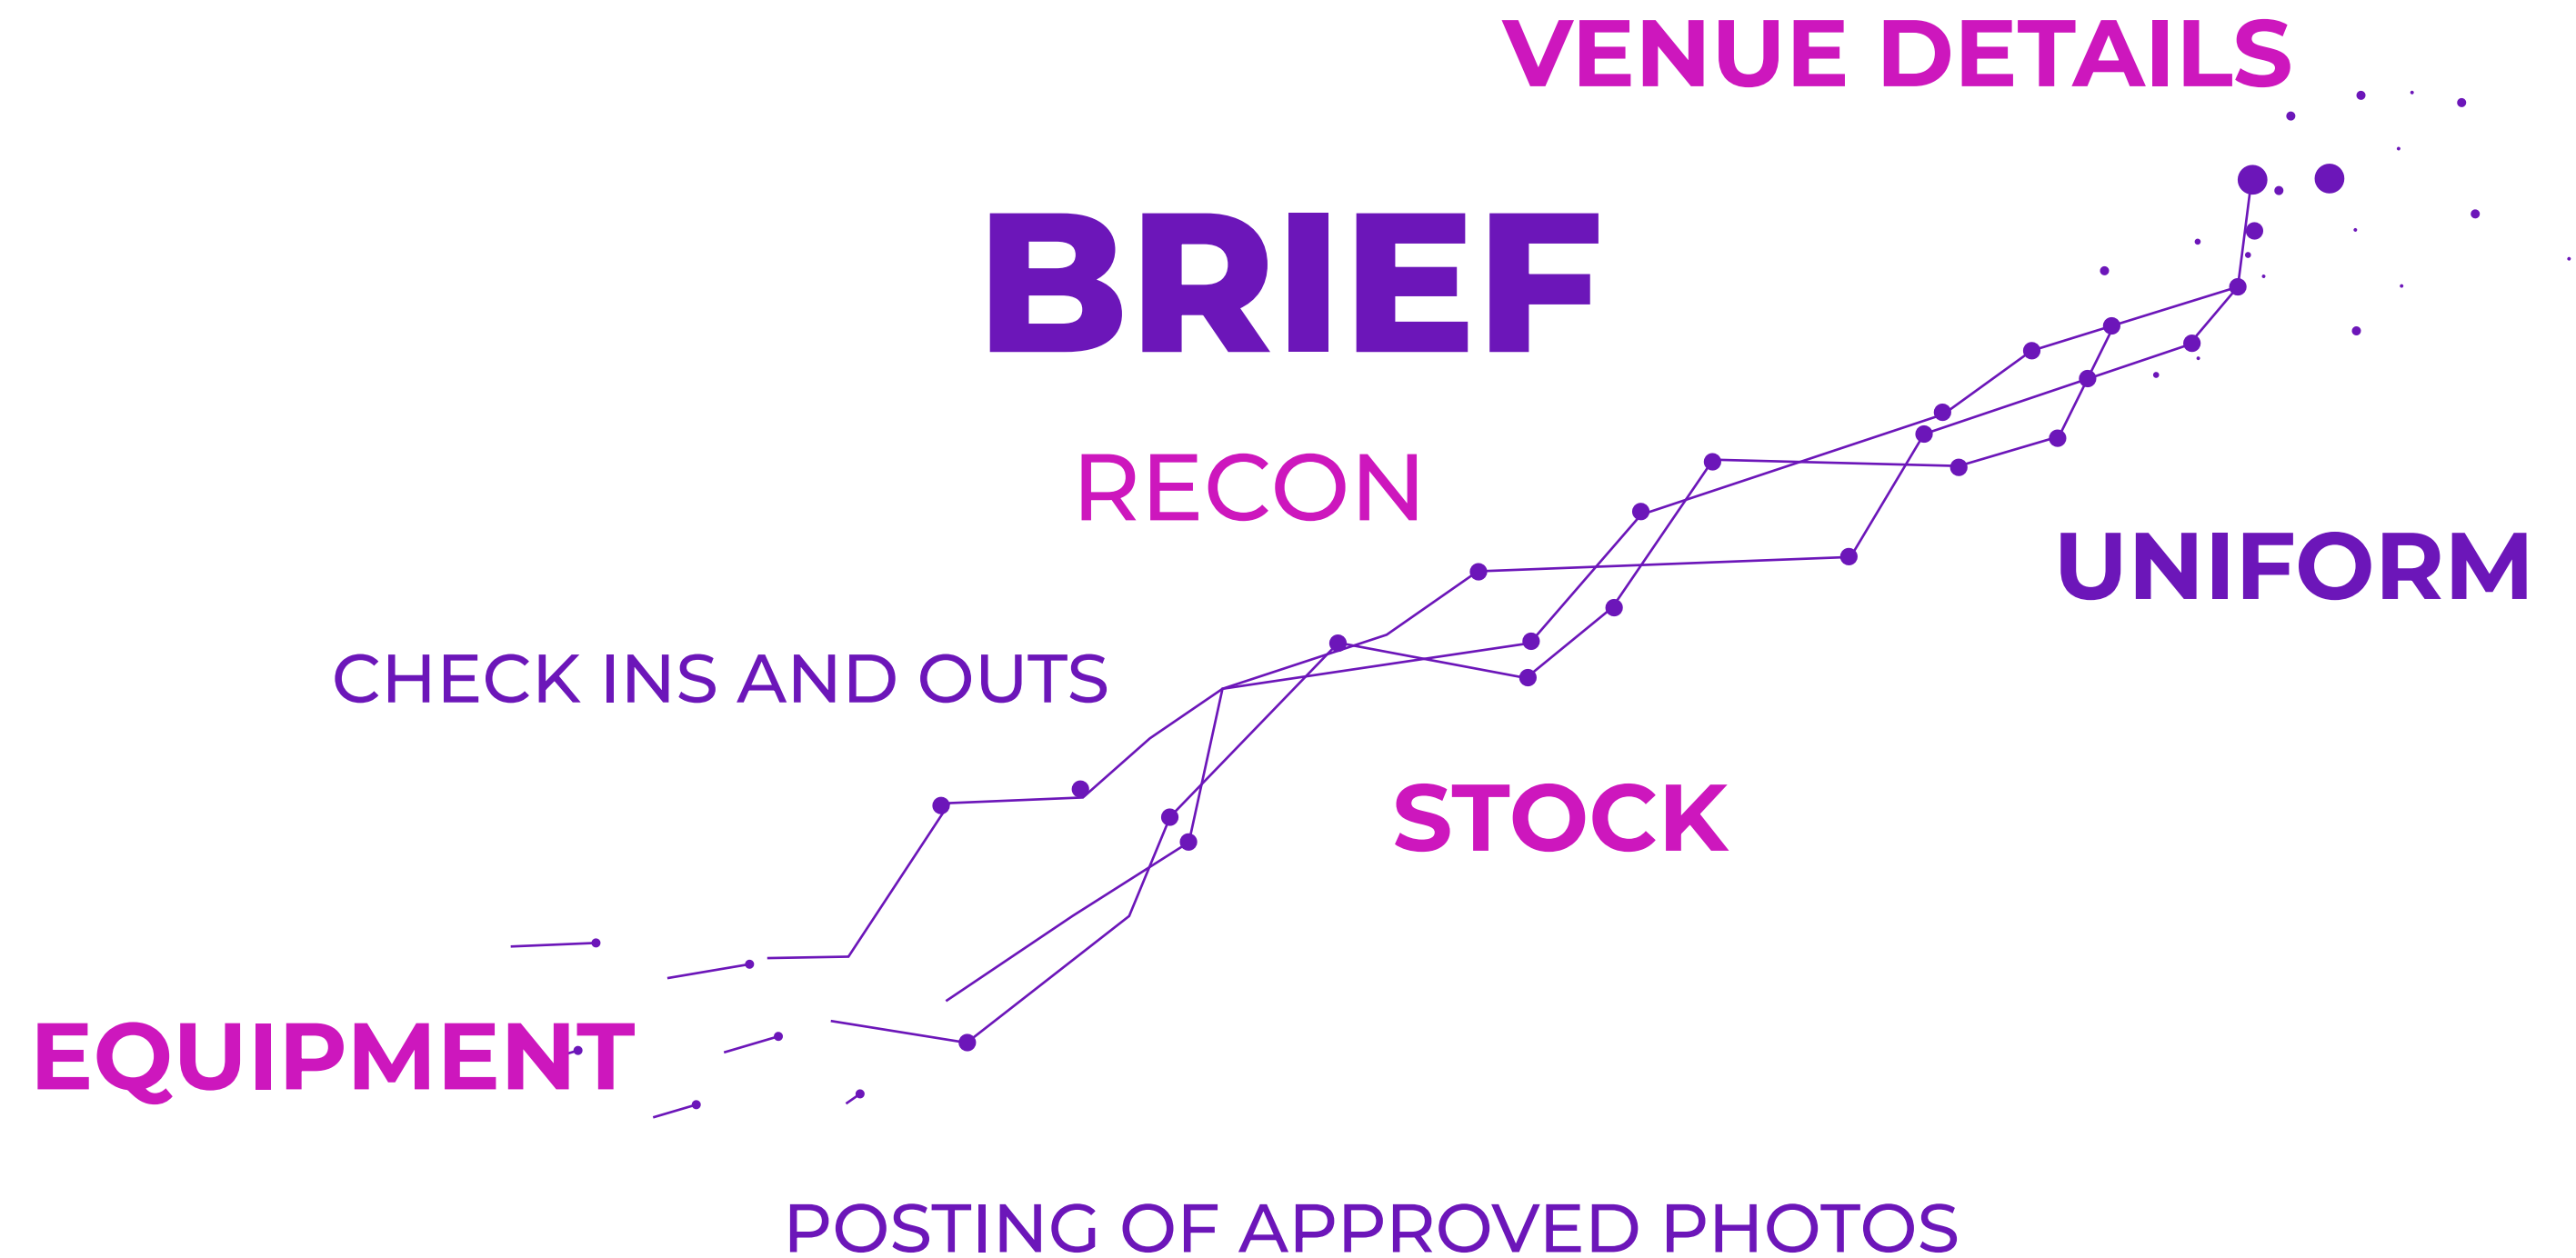

promotional activities and products comprise:

on-site tastings and demonstrations.  
selling at celebrations or festivities.  
manage customer reports.

In order to guarantee that all client requirements are met, we coordinate and manage every aspect of brand activation.

We make sure each brand ambassador has the required tools and is thoroughly briefed in accordance with the expectations of the client to complete each brand activation.

# TheTouch

manages and distributes the booking of event hostesses in accordance with the needs of our clients.

With the right, sophisticated, and committed staff at your disposal, our services will project the right impression and meet the needs of our clients.
